

ROPE COURSES

Fantastic events that engage, motivate, challenge and energise your teams

Overview

Our high ropes course will challenge your team like no other activity. Whether attendees have a head for heights or not, we have something for everyone.

Benefits

- Combine with other activities to make a half or full day of it
- Teamwork
- Competition
- Pushing boundaries
- Stretching comfort zones
- Team support
- Fun!!

Summary

- Outdoor
- From one to three hours
- Medium to challenging
- 8 – 12 people at one time - combine with other activities for larger teams
- All equipment, instruction and insurance included.

Highlights

Our ever-popular high ropes course has a good selection of activities that will keep 24 'climbers' occupied. For larger teams we add other activities to ensure everyone keeps busy. We can tweak the challenges to ensure everyone finds their limit, whether comfortable with heights or terrified. Attendees learn much about themselves and their colleagues on this great activity.

Considerations

Our high ropes course is based near Marlow on the M4. It has a wide selection of activities designed to challenge both individuals and teams. Participants need to be reasonable fit but, more importantly have a can-do attitude - we can do the rest. All equipment and instruction is provided by qualified and specialist instructors. They are there to help and encourage.
